

Monaco 12v outdoor portable power bank

Are power banks good for camping?

Excellent charging, packability, and battery life. There can be a fine line with power banks for camping. We're trying to get off the grid, but we need a bit of the grid to come with us: for camping fans, air pumps, lanterns, and, of course, our phones.

Which power bank should I buy?

After testing out a number of the best power banks in a range of sizes, I'm confident that most people will get the power needs they are looking for with the Anker 511 Portable Powerstation or the Scosche PowerUp 32K.

Does Anker have a power bank?

The power output here is fast, too: you'll be more limited by your available cables than you will be by your power bank (fortunately Anker provides a USB-C cable capable of delivering up to 140W of power). You may also be limited by your devices.

Why do car campers use power banks?
