Energy Storage Equipment

Latvia government tender for Construction of Battery Energy Storage System at Jsc Latvenergo Riga Hydro Power Plant, TOT Ref No: 109107774, Tender Ref No: -, Deadline: 31st Oct 2024, Register to view latest Online Global Tenders, E-Tender, E-Procurement. ... Info on global procurement is sourced from tender bulletin, auction sites, bidding ...

Given the interest of residents in purchasing electricity-producing equipment, the Ministry of Climate and Energy (KEM) has expanded the support This paper considers the potential for energy storage in Latvia and Lithuania with a particular focus on electrical energy storage benefiting from price arbitrage. A model to optimize the ...

EPCG, the Electric Power Company of Montenegro, will launch a public tender for the procurement of 300MWh of battery energy storage system (BESS) technology before the end of the year, said Milutin Dukanovic, chairman of the board of directors.

Aid to be available for energy storage equipment in Latvia. Given the interest of residents in purchasing electricity-producing equipment, the Ministry of Climate and Energy (KEM) has expanded the support program and in the future residents will be able to get state aid for the purchase of electricity storage facilities as well, the Ministry ...

Electricity storage systems and equipment for households and businesses. Battery energy storage systems (BESS) 4 MW solar power plant, Serenes parish. ... Energrid carried out the complete development cycle - design, construction, grid connection, component procurement. For 6 Stokker centres in Latvia, solar systems will cover between 35% ...

Latvenergo, a prominent public electricity utility in Latvia, has invited a tender for the procurement of Battery Energy Storage Systems (BESS). The tender, titled "Elektroenergijas uzkrasanas sistemu (BESS) piegade/...

Europe Roundup: 340MWh procurement in Kosovo, 65MWh BESS in Switzerland, EBRD invests in NGEN"s Croatia project. By Cameron Murray. December 18, 2024. Europe. Grid Scale. Business. ... Energy-Storage.news reported that Croatia"s government would be providing some EUR500 million in financial support for the rollout of large-scale energy storage.

The first BESS projects are being implemented in Latvia and at Latvenergo production sites - starting with the smaller-scale BESS at Latvenergo AS CHPP-1 and continuing with larger storage solutions, including at Riga HPP and Latvenergo AS CHPP-2. The procurement and selection of suppliers for the latter projects is currently in progress.
